E-newsletter for the Franklin Regional School District

Friday Night Rivals

The Franklin Regional Senior High School (FRSH) Panthers Varsity Football team took on the Gateway Gators on October 5. The game was a Channel 22 The Point Friday Night Rivals game. FRSH received a \$500 check as a donation from Channel 22 The Point. Shown accepting the check is FR Assistant Superintendent Dr. Mary Catherine Reljac and FRSH Varsity Cheerleaders Tori Glarner, Anna Startari, Natalie Pampeña, and Rayna Todero. 🐾

Students Take Virtual Tour of Spain

Students in Ms. Trenessa Smolleck's FRSH Spanish 3 class, took a tour of Spain using Virtual Reality visors. Students were learning by describing, comparing, and contrasting cities and towns in Barcelona, Spain.

Using Virtual Reality, students were able to "visit" Spain, using Google Expeditions. The class "visited" several cities and towns in Spain. The students were able to explain what they saw and heard as Ms. Smolleck acted as the tour guide speaking in Spanish.

Students conducted large and small group discussions. The objective was to answer the following questions: Where is it? What is it like there? What destinations/places can you find there? What do people do there?

Students wrapped up the learning experience by discussing the cities, comparing and contrasting them to each other and to the student's own hometowns as well as the United States in general. 🐾

FRSH Bonfire 2018

Despite a rainy evening, a good time was had by all who attended the annual Franklin Regional Senior High School (FRSH) Bonfire. Fire officials lit the massive blaze while FRSH clubs and service organizations hosted booths that offered games, food, and drinks. Inside the high school lobby, members of the National Art Honor Society conducted

an art show and sale. Paintings and other artwork along with hand-crafted jewelry were on sale. 🐾

Project Lead the Way Enhances FR Science Classrooms

Project Lead the Way (PLTW) Launch Lead Teachers Megan Melucci and Renee' Ryan facilitated professional development days for District teachers October 1-3. Teachers worked through different science modules to gain a conceptual understanding of the engineering design process. PLTW enhances the award winning science program Franklin Regional offers through the integration of technology and cutting edge hands-on materials.

Participants pictured include (front row from left) Lisa Reppy, Crissy Lemke, Kelley Smith, and Nicole Zollner; (back row from left) Megan Melucci, Errin Kilbury, Braden Orange, Addie Martz, Lynda Dolny, Chris Hong, Brad Midgley, Dianne Reger, Gay Stock, and Renee' Ryan. 🐾
