It's that time of year again, and FR Senior High (FRSH) students are busy with plans on the Hope for the Holidays Telethon to be held on Friday, December 21, 2018. This district-wide annual telethon is sponsored by the Pay It Forward Club and the High School Media Department. Money raised through this event is provided to various charities while providing entertainment to the FR staff and students.

The telethon occurs in school but is broadcast to the community through the local cable channel as well as a live online stream.

The Hope for the Holidays Telethon will benefit Blountstown High School, located in Florida, that experienced a great deal of damage to the school and community after Hurricane Michael hit last October. FRSH has a goal to purchase gift cards for each student to use for the items they may have lost as a result of this storm.

"Every year our goal, through the telethon, is to get as many students and community members involved in fundraising as possible," said Franklin Regional Media teacher, Mrs. Becky Magness. "The fundraising aspect of the telethon is a great way for us to come together as a school district to support a great cause - so we encourage everyone to get involved."

Those wishing to donate to the telethon should make checks payable to: PAY IT FORWARD and mail your donations to FR Senior High School ATTENTION: Pay It Forward, 3200 School Road, Murrysville, PA 15668 🐾
