

COLLEGE VISITS

It's that time of year again!

College Representatives have been scheduling visits with the Counseling Center!

To find out **if** the college you are interested in will have a representative visiting, be sure to watch the FR Morning Show, check the "College Visits Calendar" in the Counseling Center or check our website and e-news!

You must get a pass from Mrs. Smart to attend a college visit.

These informational college visits are open to junior and senior students who, preferably, have a study hall during the time of a visit.

The following list is, what is scheduled, thus far. Additions are made frequently.
