WELCOME!

Franklin Regional School District
Town Hall Meeting – Process/Objectives

September 27, 2016
Mission Statement

We, the Franklin Regional School community, strive for excellence, learning, achievement, and citizenship in all we do.
A World-Class Vision

Foundational Planks

1. A safe and healthy educational environment by serving as effective stewards of all district resources and capital assets

2. A world-class educational system that develops college and career-ready students

3. Improved performance and growth levels in all areas - academic, artistic, and athletic
A World-Class Vision
Foundational Planks
(Continued)

4. Outstanding customer service, family partnerships, stakeholder relationships, and community engagement through communication that is professional, responsive, clear, and timely

5. Fiscal integrity, efficiency, and governance effectiveness in all operational areas
The 21st Century Learning Environment

- Creates physical environments that support the learning of 21st century skills
- Provides 21st century architectural designs for group, team, and individual learning
- Allows equitable access to quality learning tools, technologies, and resources
The 21st Century Learning Environment

- Enables students to learn in relevant, real world 21st century contexts
- Supports professional learning communities that enable educators to collaborate, share best practices, and integrate 21st century skills
- Promotes expanded community involvement in learning
21st Century Learning

EXPERIENCES

• Real-World Problem Solving
• Project Based Learning
• Personalized Learning
• Engagement
• Empowerment
• Career Exploration
• Strategic Business Partnerships
21st Century Learning

GLOBAL COMPETENCIES

• The Four Cs:
  – Creativity
  – Critical Thinking
  – Communication
  – Collaboration
• Entrepreneurship
• Innovation
• Digital Literacy
• Global Citizenship
Shared Values

1. Everyone is expected to act with honesty and integrity.
2. Everyone can learn.
3. Everyone deserves the opportunity to be valued and respected.
4. Everyone is a contributing partner in the educational process.
5. Everyone is entitled to an environment that promotes high expectations and accountability through challenging and meaningful work.
Shared Values

6. Everyone is expected to embrace a lifelong quest for learning.

7. Everyone is responsible for the effective use of resources.

8. Everyone is expected to appreciate the importance, contribution, and impact of diversity in our global society.

9. Everyone is entitled to and shares responsibility for maintaining a safe, supportive environment.

10. Everyone is expected to learn to engage in dialogue and discuss differences with civility.
Need for a Study

Achieving Meaningful Results!

FREEDOM PRIMARY CENTER – GRAND OPENING FALL 2015

Franklin Regional School District
Franklin Regional Masterplanning...

...Achieving Meaningful Results

- Comprehensive Assessment of Existing Facilities
- Gain an understanding of Existing Programs
- Define Vision and Goals to support a Long Term Plan
- Student Centered Design Learning Environments – 21st Century Schools
- Community Engagement & Strategic Partnerships
- Strengthen the role of the School in the Community
Focus on Learning
- Integrated and appropriate technology
- Personalized & varied learning environments
- Formal & informal collaboration spaces
- Specialized learning labs
- Flexible furniture and equipment to support adaptability & individual needs
- Interdisciplinary teaming
- Focus on Critical Thinking and 21st Century Skills
- Educational Continuum
- Grade Level Alignments

Safety
- Easily supervised campus & entries
- Secure and controlled buildings
- Technology to limit access and effectively supervise public spaces
- Friendly community spaces with enhanced security & supervision
- Adequate emergency exiting

Community Focused
- Delineate public vs. private zones
- Facilitate extended learning opportunities
- Promote community use of facilities
- Honor the history of our community
- Form/Foster strategic partnerships

Promote Sustainability/Longevity
- Energy Conservation – reduce costs
- Buildings that teach
- Outdoor learning opportunities
- Healthy Environments
- Alternative Power opportunities
District Goals
- Administration Goals
- Board Goals
- Community Goals

Assessment
- District Overview
- Educational Program
- Enrollment Analysis + Existing Grade Grouping Review
- Building Capacity
- Facility Conditions

Grade Grouping Exploration
- Define Existing
- Explore Optional Grade Groupings
- Select Viable Grouping(s)

Scenario Brainstorming
- Study of Grade Grouping Scenarios as Applied to School District Facilities
- Select Viable Scenarios for further definition

Defining Scenarios
- Define Impacts of Viable Scenarios
- Solutions For Each Building (Site and Floor Plans)
- Projected Cost Outcomes

Comparison
- Scenarios are defined and priced so each option can be compared against the pros and cons

Decision
- Informed decisions!
